**Covid Working:** in line with NHSE guidelines, we are not currently offering evening appointments. Patients should only attend the surgery if they have an appointment and are kindly requested to wear a face covering (unless exempt) and follow our one-way system through the surgery. Thank you for your help with this.

## Our COVID Vax Record

  **8328 First & Second Doses**   
**4180 Boosters**   
**TOTAL AT 31ST JAN 2022: 12,508 VACCINATIONS**

Thank you to everyone who has helped us achieve these amazing numbers. We are very grateful, in particular, to all our volunteers.

As our January Boosters experienced high levels of patients not attending booked appointments, we are switching to walk-in clinics during February and March. The dates and times of these clinics will be advertised on our Facebook page and appointments can be booked. We will continue to contact patients in vulnerable groups, eg immunosuppressed, pregnant etc by phone or SMS texting.

For more information, please contact the surgery, email us at [wccg.northlandscovidvac@nhs.net](mailto:wccg.northlandscovidvac@nhs.net) or visit the NHS website.

## COVID-19 VISITING YOUR GP SURGERY

**PLEASE WEAR FACE COVERINGS.**  
COVID-19 PROTECTIONS ARE STILL IN PLACE IN THIS SURGERY.

In line with current Government guidance patients are required to continue to wear a face covering in all healthcare settings.

Face coverings primarily protect others, so doing so – unless exempt – is key to preventing spread of infection.
