Thank You

Thank you for all your kind wishes and messages, Alison had a lovely retirement party at the surgery.

## COVID SPRING BOOSTERS Dates in April To be Confirmed

### WHO CAN HAVE THE COVID SPRING BOOSTER?

COVID-19 is more serious in older people and in people with certain underlying health conditions. For these reasons, people aged 75 years and over, those in care homes, and those aged 6 months and over with a weakened immune system will be offered a dose of COVID-19 vaccine this spring.

### BOOKING YOUR APPOINTMENT

All patients registered with a mobile number will be sent an invite via our clinical system (Systmone) which invites you to book your appointment by clicking on a link and inputting your date of birth. This is a trusted link being sent by the surgery. Please do not worry if you do not have or do not regularly use a mobile; we will call you. You can also book by calling the surgery on 01249 812141 or email [wccg.northlandscovidvac@nhs.net](mailto:wccg.northlandscovidvac@nhs.net)

You should be offered an appointment between April and June. You will be invited to have your booster 6 months after your last dose, but you can have it as soon as 3 months.

### ATTENDING YOUR APPOINTMENT

Please only attend if you feel well. Please avoid parking at the surgery. Patients are kindly requested to come 'jab-ready!', ie to ensure your time in the surgery is as brief as possible, please arrive on-time and wear a sleeveless or loose-fitting top. We will have a one-way system through the surgery in operation - our wonderful volunteer marshals will help direct you to the right place.
