## APPOINTMENT SYSTEM REVIEW—WE'RE LISTENING

We know that getting an appointment can be frustrating, and many patients have told us the current "first come, first served" system doesn't work well. That's why we're reviewing how our appointment system works and meeting with patients to hear their views. Our patient list has grown by over 40% in the last five years. We've increased the number of clinicians to meet this growing demand, but it's still a challenge to ensure everyone gets timely care. Your feedback is helping shape improvements to make access fairer and more efficient. We'll share more details in our next newsletter.

## CARERS CREAM TEA

Thank you to all the Carers and those they look after for joining us for a delicious cream tea in the beautiful Marden House garden. Thanks also to Mary for playing the piano and Kingston House for making the scones. Thanks also to our Patient Participation Group volunteers - we all had a lovely afternoon.
